ALEX MORGAN

ACCOUNTANT

Kuala Lumpur, Malaysia | alex.morgan@example.com

PROFESSIONAL SUMMARY

Accountant with five years of experience in financial reporting, budgets and client advisory. Uses Excel and cloud accounting software to improve reporting and explain financial results to business owners. Experienced in discussing client needs, comparing software costs and guiding users through accounting workflows.

SKILLS

- Financial reporting
- Budgeting and forecasting
- Bank reconciliations
- Microsoft Excel
- Xero
- MYOB

PROFESSIONAL EXPERIENCE

Accountant | Meranti Business Advisory | Jul 2023 - Present

- Prepare financial statements, monthly budgets and cash-flow forecasts for 12 small-business clients.
- Reconcile bank accounts and investigate reporting variances before monthly management reviews.
- Listen to client invoicing problems and document requirements for cloud accounting software.
- Explain software options and subscription costs to business owners using practical examples.
- Resolve client billing queries and coordinate follow-up with the software support team.

Assistant Accountant | Straits Wholesale | Jul 2021 - Jun 2023

- Process invoices and payments in MYOB; maintain ledgers and assist with month-end reports.
- Check product margins in Excel and prepare cost summaries for finance and account managers.
- Explain invoice discrepancies to customers and agree follow-up actions with the finance team.

PROJECTS

Cloud Accounting Software Evaluation | Apr 2026

- Interviewed six clients about invoicing needs and compared three cloud accounting packages.
- Prepared a cost-benefit report and demonstrated invoice workflows to six business owners.
- Guided four users through Xero setup and collected feedback for the software support team.

Monthly Reporting Improvement | Nov 2025

- Reviewed 1,200 invoice records in Excel and corrected 24 duplicate entries.
- Created a reconciliation checklist that reduced monthly reporting time from five days to four.

EDUCATION

Bachelor of Accounting | Kuala Lumpur, Malaysia | Completed 2021

Relevant study: Financial Accounting, Management Accounting and Business Information Systems.
